## OUR PROGRAM LAST WEEK. . . . MORE NEW MEMBER TALKS...

**Linda Coffman:** Linda was born in Cumberland, MD, and grew up in Elk Garden, WV. Her career path has included working for Hanes for whom she represented L'eggs hosiery. Next Linda sold radio advertising where she became the Sales Manager after just a year on the job! Her sales experience led her to a job selling to commercial bakeries. Linda attended the American Institute of Baking, where she met her future husband. Her husband's job gave them the opportunity to move to Hawaii, where Linda worked in various "fun" jobs.

While living in Hawaii, Linda joined The French Gourmet, where as Vice President and Marketing Director, she traveled the world attending trade shows in such faraway places as China, South Korea, and Dubai. After 20 years with The French Gourmet, Linda decided it was time to retire and she is loving it. She is enjoying spending time with her seven grandchildren and is looking forward to making a difference in our community through her involvement in Rotary.

**Jennifer Stanford:** Jennifer was born in Springfield Missouri, and grew up on Overland Park Kansas. She earned her RN at Texas Christian University in Fort Worth, Texas. Enjoying life in the big city, Jennifer went on to live in Dallas for the next 14 years. She interned at Parkland Memorial Hospital in Dallas, where she earned credits toward her MSN degree. Jennifer worked in all the units at Parkland, which is a Level 1 trauma center. She saw more there in a year than would be seen in 20 years at a smaller hospital.

After two years working with a medical devices company, Jennifer developed an interest in research and went on to help start and run the research department at University of Texas Southwestern. After being recruited by cardiac doctors to come to Winchester, she convinced Valley Health to begin a research program, where she is now the Director of Clinical Research.

Jennifer is the mother of two girls. Her eldest is a junior at Lafayette College, and her youngest is a sophomore at Handley High School.

**Fentanyl Warning**

Don Butler passed on this information from Dr. Restrepo of Valley Health. A short video sent by Dep. Director Jack Riley of the DEA warned first responders of the dangers of handling **Fentanyl**. Fentanyl is 40-50 times stronger than heroin. The video stressed that if you see a plastic bag containing an unknown substance, call 911....don't touch or smell it. You could die.

**Health Tip** - Libba says "wear sunscreen".

Not just during the summer, but all year. SPF stands for Sun Protection Factor, and 30 SPF is considered sufficient. Just watch out for the ingredients in your sunscreen. Some contain compounds that could be harmful. To learn more about sunscreen, go to [ewg.org](http://ewg.org)

**Shenandoah Music Festival**

Don't forget about the Rotary Polio Plus benefit concert at Orkney Springs on July 22nd. "Sgt. Pepper and the Summer of Love" is a unique tribute to the music of the Summer of 1967 featuring the Piedmont Symphony Orchestra accompanied by a tribute rock band. Tickets are available from Nancy Davis or Byron Brill, and checks should be made out to the Strasburg Rotary Club.
