GOLF TOURNAMENT

The golf tournament committee had their first meeting... if you would like to get involved, see Don Louque, III. You don't have to be a golfer to help. The tournament usually raises between \$10k-\$12k. The committee is seeking a beneficiary who needs the funds for a capital project.

Welcome Newest Member

We gave our third and final shout out to new member Todd Lilly, who was out enjoying his vacation. Please take a moment to welcome Todd to our club.

Apple Harvest Arts & Crafts Update. . . .

We already have 38 vendors signed up! A shout out to anyone interested in being on the committee, please let Darla McCrary or Paul Frank know. The first meeting of the Apple Harvest Committee will be sometime in July.

OUR PROGRAM TODAY

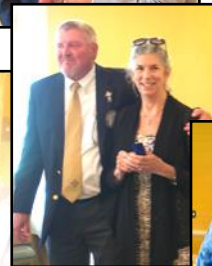

Changing of the guard...installation of New Officers. This is sure to be Scott's favorite program of the year!

OUR PROGRAM LAST WEEK. . . .

Gary Chrisman lead a special presentation of **Paul Harris Fellows and Paul Harris Society** donors. He started off with a salute to Conrad Koneczny, who did so much on behalf of our club and the Rotary International Foundation during his time with Rotary.

Thanks to all the points that Conrad donated to various members of our club, combined with the additional members who were inspired to share their own points, our club reached **100% Paul Harris Fellow status**, a feat nearly unheard of in a club with 169 members. Gary read off a long list of honorees and presented them with pins, medallions, and certificates. (Full list of recipients is available online.)

July 11th - 7:30 am at the Rotary shelter in Sherando Park (across from the swimming pool)

July 18th, - same as above

Area One ACT Committee - Reminder!! The Substance Abuse Coalition's monthly meeting will be held **TODAY at 3 PM** at the Timbrook Public Safety building...third floor.

Don Butler passed on this **Fentanyl Warning** from Dr. Restrepo of Valley Health. The Substance Abuse Coalition has announced 25 deaths in our area to date....compared to 12 the same time last year.

A short video sent by Deputy Director Jack Riley of the DEA (www.dea.gov/videoclips/fentanyl) warned first responders of the dangers of handling Fentanyl. Fentanyl is 40-50 times stronger than heroin. The video stressed that if you see a plastic bag containing an unknown substance, call 911....don't touch or smell it. You could die.

Rummage sale follow-up

Dave Kent thanked everyone for their efforts on the rummage sale and said they would be holding a follow-up meeting at Dan's house to discuss improvements for next year. Let Dave know if you have any thoughts on the subject and be prepared to get busy again next year!

OUR LAST DRAWING

There was no drawing last week due to time constraints...BUT, \$476 is in the jackpot to start today off.

Health Report/Tip - Libba reported that all club members are healthy and happy.

In honor of last week's **Take Your Dog to Work Day**, she shared the five benefits of owning a pet:

- >> It's good for your heart – it helps heart attack survivors live longer and heal faster.
- >> It lowers your blood pressure and helps fight depression.
- >> It has been shown to calm Alzheimer's patients
- >> It lowers allergies in children when pets are present in the home.
- >> Plus pets are a great chick magnet! (Ed. Note: this one is still being studied – watch for updates.)

**Shenandoah Music Festival**

Don't forget about the Rotary Polio Plus benefit concert at Orkney Springs on **July 22nd**. "**Sgt. Pepper and the Summer of Love**" is a unique tribute to the music of the Summer of 1967 featuring the Piedmont Symphony Orchestra accompanied by a tribute rock band. Tickets are available from Nancy Davis or Byron Brill, and checks should be made out to the Strasburg Rotary Club.
